

164-B MANUAL GRILL TOOL SHARPENER

Model 164-B

Give a sharp, straight edge to scrapers and spatulas quickly and easily with the Prince Castle's Manual Grill Tool Sharpener. Simply insert the tool into the sharpener, and slide back and forth over the sharpening file for a perfect edge every time. Safe to use, the model 164-B features non-skid feet and easy grip handles.

Precision edges on grill tools allow you to quickly clean up your grill with less effort and no scratching. Sharp spatulas pick up meat cleanly without tearing, and sharp tools clean grill surfaces better, eliminating excess carbon that can affect food flavor.
