

CC/CM CHAR-BRUSHES

Cleaning More Effectively

Prince Castle's Char-Brushes are designed to clean high production char-broilers by thoroughly removing food residue from cooking surfaces.

The best char-broiler cleaning tools ever designed, model CC and model CM char-brushes clean char-broilers quickly and easily. The tough spring bristles and ergonomically designed pistol-grip handles help operators clean more efficiently with less effort.

Two brush types are available - Coarse (CC) and Medium (CM). It is recommended to use both for best cleaning results.
