Lettuce Kutlett Product # SKK2

The Prince Castle Lettuce Kutlett, SKK2 is designed to speed the lettuce slicing task in all types of food service operations. With its sturdy stainless steel/molding polycarbonate frame, molded polycarbonate bed and polypropylene pressure grid, and aircraft aluminum tension bars, this lettuce slicer is built to last. The Kutlett's stainless steel blades are double-edged, so the lettuce will not bruise, yielding a fresher presentation.

Product Features

- Produces a uniform size.
- Reduces labor cost.
- Operates with a simple pull of the handle.
- Slices up to 50 heads in five minutes.
- Prevents bruising and browning.
- Cuts 1" by 1" cube.
- Top blade can be turned to do 1/2" strips.
