Prince Castle Awarded ISO 9001:2008 Certificate of Registration

CAROL STREAM, IL – Prince Castle, a Marmon/Berkshire Hathaway Company, is pleased to announce that the company's quality management system has received its ISO 9001:2008 Certificate of Registration.

"We are proud of our team and their efforts toward the ISO 9001 certification," says Brian Truesdale, President. "This accomplishment affirms our commitment to delivering consistently high quality products and services to our customers."

The ISO 9001:2008 quality management standard was developed and published by the International Organization for Standardization (ISO) and establishes an effective quality management program for manufacturing companies. Important components of ISO 9001:2008 include the establishment of processes to meet customer, statutory and regulatory requirements, ensuring customer satisfaction and fostering a culture focused on continuous improvement.

Prince Castle's performance over the past 60 years has established that they not only consistently design and manufacture quality products but are also committed to their customers by establishing clear policy, good planning and implementation, good resource management, efficient process control, measurement and analysis.
