Carol Stream, IL. -- Prince Castle, a Marmon/Berkshire Hathaway Company and leading global foodservice equipment manufacturer, has been named one of Chicago's Best and Brightest Companies to Work For® in 2018 by the National Association for Business Resources.

The award recognizes the top Chicago-area organizations that present a commitment to excellence in human resource practices and employee enrichment.

"We are incredibly honored to receive this recognition for the 2nd year in a row now. It's all thanks to Prince Castle's amazing employees promoting such a great company culture," said Suzanne Kozlovsky, VP of Human Resources. "Our commitment to excellence and ensuring our employees have a safe and engaging workplace remains a priority."

"Our best asset is, without question, our people. We believe in an ethical and cooperative approach to our work that emphasizes working FOR one another. This "team first" approach makes Prince Castle not only a fun and engaging place to work, but also a leader in efficiency and safety," said Brian Truesdale, Sector President.

Prince Castle was ranked by an independent research firm which reviewed a number of key measurements on such topics as compensation, benefits and employee solutions, communication, work-life balance, employee education and shared vision, along with diversity, recognition, retention and more.
