Prince Castle

Prince Castle Recognized as an Influential and Innovative Company

A 2019 Winner of Chicago's Best and Brightest Companies to Work For®

CAROL STREAM, Ill., August 1, 2019 (Newswire.com) -

Prince Castle, a Marmon/Berkshire Hathaway Company and leading global foodservice equipment manufacturer, is honored to be named a winner of the prestigious award by the National Association for Business Recourses for the third consecutive year.

Companies throughout Chicago put their hats in the ring on an annual basis to get recognized as one of Chicago's Best and Brightest Companies to Work For®. The award recognizes the top Chicago-area organizations that set themselves apart from the rest with their innovative human resource and employee enrichment initiatives.

Prince Castle will be officially recognized with the award in September, during the Best and Brightest Awards Gala at the Renaissance Chicago Downtown Hotel.

“Winning isn't something that happens suddenly. It is something that builds every day we work to achieve our goals. It's a commitment to believing that team members are at the forefront and helping them get there. We have a team-first approach and it starts there, making our best asset our employees through an empowering work environment.”

— SUZANNE KOZLOVSKY
VICE PRESIDENT OF HUMAN
RESOURCES

Prince Castle Vice President of Human Resources, Suzanne Kozlovsky couldn't be more thrilled.

“It's a big win for all of us, here, at Prince Castle. It validates what we strive to do,” said Kozlovsky, adding: “Winning isn't something that happens suddenly. It is something that builds every day we work to achieve our goals.”

“It’s a commitment to believing that team members are at the forefront and helping them get there. We have a team-first approach and it starts there, making our best asset our employees through an empowering work environment.”

An independent research firm reviewed a number of key measurements in various categories, before bestowing the honor to Prince Castle. Among those categories were compensation, benefits and employee solutions; employee enrichment, engagement and retention; employee achievement and recognition, along with other key measurements in communication, work-life balance, and employee education and shared vision, as well as diversity and inclusion, and more. Winners are pooled by the size of their company.
