

Keep your nuggets crispy and tender longer while maximizing fry station space.

**Exclusive heater design** keeps food consistently hot without the use of fans or blowers.

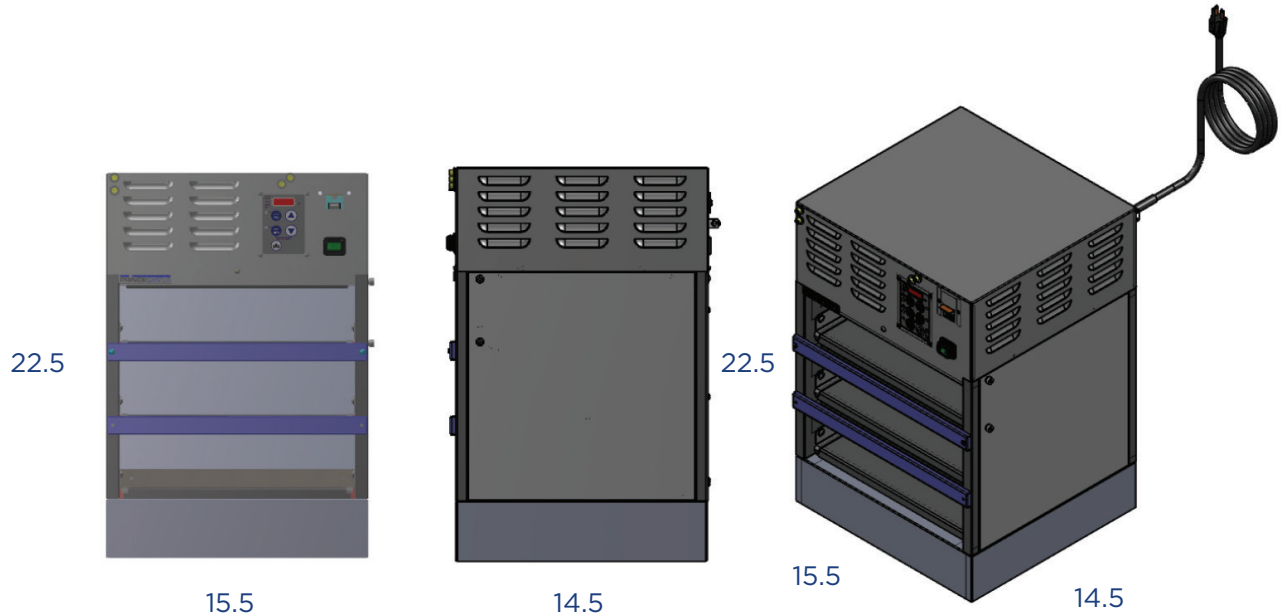

**Upper and lower infrared heaters maintain food temperatures** more consistently than any other heating elements available.

**Infrared waves** penetrate the food, heating from the inside-out.

**Moisture** is allowed to escape naturally through the convection process.

- **Reli-A-Temp® upper and lower infrared heater technology in each cavity.**
- **Adjustable temperature for each heater zone: Top & Bottom heater range - 150°F to 260°F (65°C to 127°C)**
- **Solid state digital controls**

- **Small footprint**
- **Accommodates up to 6 full bags of nuggets**
- **USB port for quick and easy heat settings updates**

## Technical Specification

### Holding Bin Dimensions

Model Number	Description
DHB3SS-15WA	15.5"W x 22.5"H x 14.5"D (39.37)cm x (57.15)cm x (36.83)cm

Shipping Weight	42.5 lbs (19.30 kg)
-----------------	---------------------

### Electrical Information

Model Number	Description
DHB3SS-15WA	3-shelf, 6-pan 110v, 50/60hz, 20 max amps, NEMA 5-15P Plug

*\*Pans Sold Separately*
