

Built to Last. Delivering unwavering performance despite grease, heat, and time itself.

Simple Setup

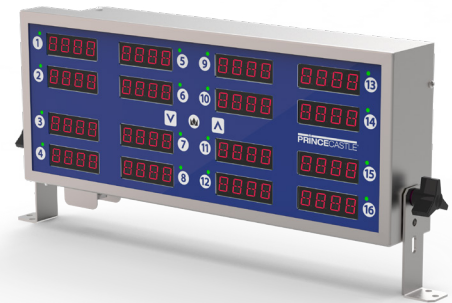

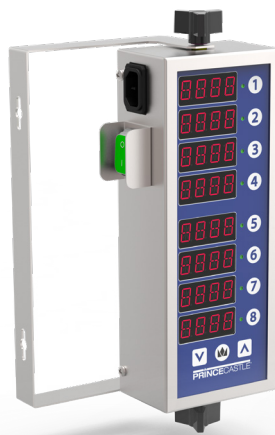

Preprogrammed and software enabled for quick and easy setup.

Easy Install,
no fat plug.

Multi-Display,

each channel has its own unique display.

Built to Last,

rugged and durable design that resists water, grease, and heat.

Quick Setup

- Fast and simple programming with our new QuickSet software.

USB Port

- Easily program, distribute menu updates and recipe changes, streamlining the process and keeping your kitchen up-to-date effortlessly.

Switch Guard Protection

- Prevent accidental shut-offs. This innovative feature adds an extra layer of security and peace of mind, providing uninterrupted functionality.

Detachable Power Cord

- Detachable power cord for easy replacement, extending the life of your timer.

Durability

- Engineered with durable components, no glass, to withstand the tough conditions of a kitchen environment.

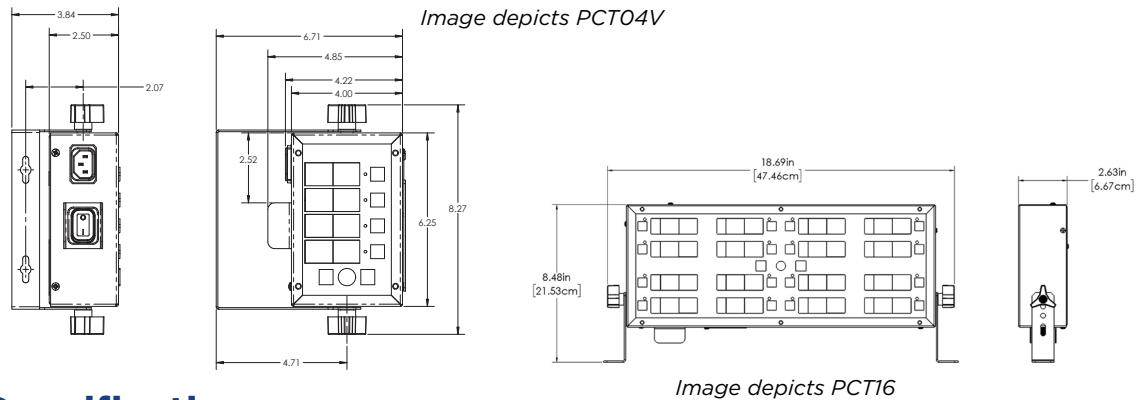

Easy to Mount

- Replaceable cord and adjustable mounting bracket.

LED Channel Indicators

- Multi-colored LED channel indicators show the status of the timing cycle and provide early warning as the countdown expires.

Restaurant owners and kitchen staff depend on reliable, precise, and user-friendly timers capable of withstanding the fast-paced and demanding nature of the kitchen environment. Enter Prince Castle multi-function timers equipped with programmable channels that operate independently, enabling simultaneous handling of multiple tasks. The timers come with a USB port for easy menu changes and an illuminated LED light that indicates the function closest to completion, enhancing efficiency and organization.

Technical Specification

Model Number	PCT04V
Product Dimensions	4.85"W x 6.25"H x 2.50"D (12.32)cm x (15.88)cm x (6.34)cm
Shipping Weight	4.00lbs (1.81)kg
Shipping Volume Cubic Dimensions	.24ft ³ (.01m ³)
Electrical Requirements	120v/60hz/10watts/.083amps/NEMA 5-15P

Model Number	PCT08V
Product Dimensions	4.85"W x 10.16"H x 2.50"D (12.32)cm x (25.81)cm x (6.34)cm
Shipping Weight	4.40lbs (2.00)kg
Shipping Volume Cubic Dimensions	.35ft ³ (.01m ³)
Electrical Requirements	120v/60hz/10watts/.083amps/NEMA 5-15P

Model Number	PCT16
Product Dimensions	16.64"W x 7.44"H x 2.63"D (42.27)cm x (18.90)cm x (6.67)cm
Shipping Weight	8.50lbs (3.86)kg
Shipping Volume Cubic Dimensions	.81ft ³ (.02)
Electrical Requirements	120v/60hz/10watts/.083amps/NEMA 5-15P

What's in the Box	PCT Timer, power cord, mounting bracket, mounting hardware, instruction manual
