

Built to Last. Delivering unwavering performance despite grease, heat, and time itself.

Easy Install,
no fat plug.

Enhanced Longevity with
detachable power cord.

Engineered to Thrive
win extreme environments.

Easy to Read
alphanumeric display.

Easy to Use

- Single-tap button functionality provides a quick and easy approach to monitoring your kitchen's operational tasks.

Switch Guard Protection

- Designed to prevent accidental shut-offs.

Large Character Display

- Easy-to-read digital display shows the active channel and accurate time tracking.

Detachable Power Cord

- Detachable power cord for easy replacement, extending the life of your timer.

Durability

- Engineered with durable components, no glass, to withstand the tough conditions of a kitchen environment.

LED Channel Indicators

- Multi-colored LED channel indicators show the status of the timing cycle and provide early warning as the countdown expires.

Engineered for a friendly user experience that can withstand your kitchen's rigid and fast-paced environment. Equip your kitchen with accurate, efficient, and consistent monitoring of operational tasks. Prince Castle Single-Function timers optimize your kitchen's daily operations, enhance productivity, promote hygiene and safety, reduce waste, and elevate the overall dining experience for customers.

Technical Specification

Model Number	PCT02
Product Dimensions	6.25"W x 4.85"H x 2.50"D (15.88)cm x (12.32)cm x (6.34)cm
Shipping Weight	4.00lbs (1.81)kg
Shipping Volume Cubic Dimensions	.24ft ³ (.01m ³)
Electrical Requirements	120v/60hz/10watts/.083amps/NEMA 5-15P
What's in the Box	PCT Timer, power cord, mounting bracket, mounting hardware, instruction manual
Certifications
