

## Fast. Safe. Efficient.

The Saber King® Mini is built for speed, precision, and safety—delivering consistent results with every cut. Its compact, durable design streamlines prep while maximizing productivity in busy kitchens.

### Smaller Footprint

40% smaller and lighter—replaces up to five slicers and saves valuable counter space

### Faster Prep Time

Consistent slicing speeds up prep, reduces waste, and boosts kitchen efficiency

### Improved Safety

Patented safety features and guided touch points reduce risk during use and cleaning

### Integrated Handles

Provide a secure grip away from blades for safer operation and cleaning

### Guided Touch Points & Safeguard Latch

Blue-coded safety features help protect operators during use

### Compact Design

40% smaller and lighter than the original Saber King®, saving counter space and replacing multiple slicers

### Patented Blade Protectors

keep sharp blades contained to reduce injury risk

### Modular Blade Cartridges

Color-coded, interchangeable sets offer maximum slicing versatility with minimal equipment

### Durable Construction

Cast aluminum body ensures long-lasting performance in demanding kitchen environments

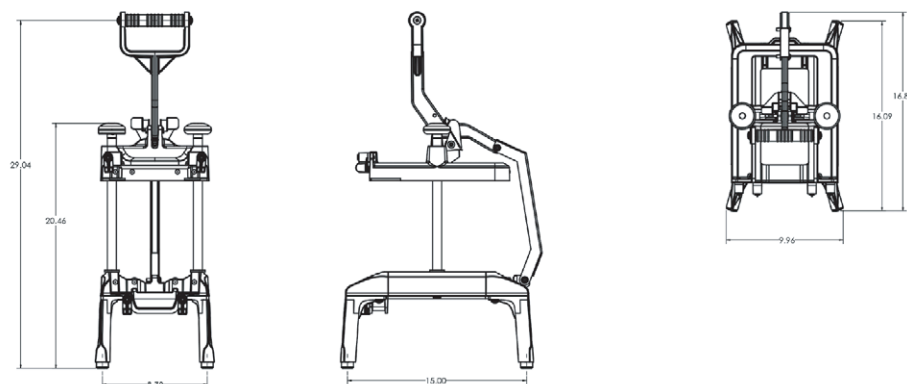

### Easy to Clean

All-in-one design simplifies cleaning to just one unit and blade cartridge

### Anti-Slip Rubber Base

Stabilize the unit during operation to prevent movement

## Technical Specifications

### Product Specifications
