

Fast. Safe. Efficient.

Saber King® is built for speed, precision, and safety, delivering consistent results with every cut. Its durable design streamlines prep while maximizing productivity in busy kitchens.

Flexibility & Savings

Interchangeable blades handle all cuts, reducing space, cost, and labor

Faster Prep Time

Consistent slicing speeds prep, cuts waste, and boosts efficiency, delivering over \$600 in annual savings

Improved Safety

Patented safety features and guided touch points reduce risk during use and cleaning

Integrated Handles

Provide a secure grip away from blades for safer operation and cleaning

Save Money, Time and Labor

Slice multiple products using one single fixture. Maximize productivity up to 30 minutes of labor savings per day during operation and cleaning.

Modular Blade Cartridges

Color-coded, interchangeable sets offer maximum slicing versatility with minimal equipment

Guided Touch Points & Safety Features

Blue-coded touch points and locks help operators use the system safely

Patented Blade Protectors

keep sharp blades contained to reduce injury risk

Durable Construction

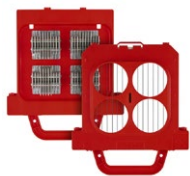

Cast aluminum body ensures long-lasting performance in demanding kitchen environments

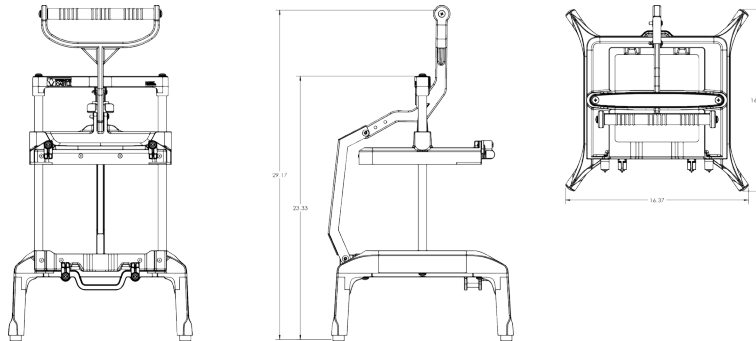

Easy to Clean

All-in-one design simplifies cleaning to just one unit and blade cartridge

Anti-Slip Rubber Base

Stabilize the unit during operation to prevent movement
